

A group of diverse people, including a man with a beard and a hat, a woman with long dark hair, and a man with short dark hair, are sitting at a wooden table outdoors. They are smiling and looking at each other, suggesting a friendly conversation. The table is set with blue and white teacups, saucers, and a small vase with green flowers. The background shows green foliage and a white awning.

Let's talk

SOMETIME

about our
journeys

and consider

opportunities

to advance

our city's

well-being
