

# BECOMING A COJOURNER

in a short  
3 hours

The *Becoming a CoJourneyer* focuses on motivation, theology, tools and training for conversational and comprehensive evangelism. This evangelism training is comprised of interactive sessions, experiential learning, self-discovery and both mentoring and on-line community opportunities.

learn the  
3 modes

We identify three modes through which people come to know Christ.

understand  
4 roles

Everyone is on a spiritual journey. God is already at work in their lives and He wants to use you. CoJourneyers is an equipping paradigm, which provides a way of thinking about and teaching conversational evangelism. This consists of the four roles we can play in relating to others in their spiritual journeys.

become  
equipped

You'll be equipped to use practical explorer tools to help engage with others in spiritual conversation. These tools have been tested and proven around the globe through our international partners: Sometime, Your Story, Jesus Film App, Story of the Soul, Soularium, Life in the City, digital and short film resources.
